

## WANTED

YES ! It is rumored that the Finck Family Singers have been seen in the area and are expected to hit the "Little Bear Creek Ranch" early during the week of July 13th - 19th. The attendees of the Cowboy Lee's, Cowboy Family Bible Conference are on alert in anticipation of their coming.

On a previous occasion, when this band of Bible Believing Gospel Singers came to the Cowboy "Canvas Cathedral" Church, which is located back in an isolated valley of the Ozark Mountains; near the Mighty Missouri River, they stirred up a lot of excitement! Folks said it was like in the old days of the "brush arbor" meetings and "tent revivals" when the cowboys and town folks gathered to sing, pray and preach. Lives were changed and there was a time of spiritual awakening.

#### When the Finck Family

Singers singers come, we don't want to get caught off guard or asleep. This is too good to miss. Some folks say that this Bible conference and singing is what church used to be like and many believe that it is the way it should be! Good things and exciting things always draws interest.

#### Les Feldick will

be teaching three times a day. There will be gospel concerts by: The McGarveys, Eddie Piper, Denny and Serenity - singing and playing their own compositions; Neil Schnaath and "Red" Leone playing their own brand of gospel country. I can hardly wait. How about you?
