

Why was Jesus born?

Ever since the first man Adam sinned, everyone born into this world as a baby is born a sinner. This means we are separated from God. In order for us to be connected to God, a sacrifice needed to be made to pay for our sins.

The problem is that the sacrifice offered to pay for sin had to be without spot. This means that we could not pay for our sins because we all were born with the spot of sin.

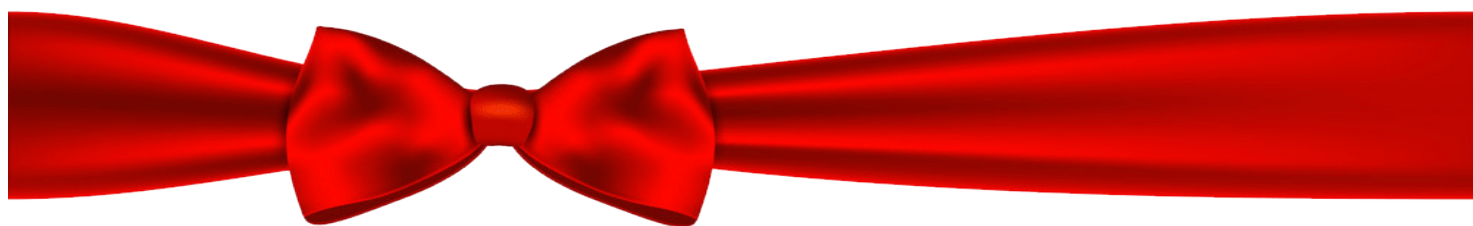

Thankfully, God had a plan! God sent His Son Jesus Christ to take on flesh. This means that Jesus Christ joined with humans when he was born as a baby in Bethlehem. Unlike all of us, Jesus Christ was not born with the spot of sin and He did not sin His entire life. He is the only One who could offer Himself as a sacrifice for our sins. This is just what He did!

I Timothy 1:15 tells us "Christ Jesus came into the world to save sinners." This means **the reason Jesus was born was to save you!** He was born without sin. He lived a life without sin. Then, when the time was right, He went to the cross to pay for the sins of the world. He was buried, but He rose again (came back to life) after three days.

Jesus Christ was born so that you and I could be saved from our sin and be connected to God forever in Heaven. This is a gift God has provided for everyone, but we have to accept His gift. We do this when we have faith (fully believe) that Jesus Christ died for our sins, was buried, and rose again, just like the Bible tells us.

Have you trusted in Christ to save you? You can do so right now. Tell God you know Jesus came to earth to die for you, and you trust that Jesus rose again so that you can have eternal life.

Romans 6:23 tells us: "The gift of God is eternal life through Jesus Christ our Lord."

Help the wise men find the way to Jesus.
