LESSON TWO- security

Have you ever lost something? Something that you thought would always be there? Something that made you happy? Maybe you have lost a favorite blanket, your best toy, your lunch money, or your best friend? It does not feel good to lose something that we like. It is not fun to even worry about losing it. Our salvation in Jesus Christ is the most important thing we have, and we NEVER have to worry about losing it.

Use the box to fill in the blanks in the sections below.

READ EPHESIANS 1:13

After we believed we were $\frac{19}{19} \frac{5}{5} \frac{1}{1} \frac{12}{12} \frac{5}{5} \frac{4}{4}$ with the Holy Spirit of promise.

The word you found can be explained two ways.

1) When we trust Christ, the Holy Spirit comes to live in us. He secures us like money in a safe. What God wants us to know is nothing is going to make us unsaved.

What other things can you think of that are tightly secured?

2) God has his signature on us. In Paul's day (God chose him to write Ephesians), leaders would have a special logo to put on things that belonged to them. It is kind of like when your mom wrote your name in the underwear you packed for summer camp. She didn't want you to lose them, so she wrote your name in big block letters for all your cabin mates to see. What God wants us to know is that He isn't going to lose us. The Holy Spirit living inside you says that you belong to Him.

What other things do people do to let everyone know that something belongs to them?

We are _____ in Him.

**Have you ever received a 100% on a test at school?
If you got a 100%, would you try to do better?**

God wants you to know that there is nothing more to be added to your salvation. God graded the payment of Jesus Christ and it was perfect (100%). You are saved by what Christ has done, so you are 100% saved. You don't have to try to do better. You can't do better.

The word "complete" can also mean "full." Picture a cup that is filled to the brim with your favorite drink. What happens if you try to add more?

The same is true of our salvation. We are filled up in Christ. We can't add any more to it. God wants you to know that you are fully saved.

We are more than _____ through Him that loved us.

When you are playing a game on your Wii or Tablet, once you defeat the boss of a level, you don't have to play that level over and over again. You have already won. You have victory. God wants you to know that He hasn't just won the war against sin and death, but He has made us more than winners. There is no more war to fight. Christ fought the battle and won.

_____ can separate us from the love of God, which is in Christ Jesus our Lord.
14 15 20 8 9 14 7

God loves you and He will never stop loving you. We will never be separated from the salvation that His love provided. He has won! Our salvation is complete! We are belong to Him forever!
